Additional comments

#3 I voted for it but have come to realize there is no such thing as "nonpartism" in this polarized environment.
#8 It should be left up to the individual School Board as it is now.
#18 To stimulate the economy. Jobs should be in the public sector paid by public sector customers and not taxpayers.
#21 Eact two years there is a referendum on how your Senator or Rep are doing.
#33 I know they should not be raised.
