Which statement more reflects your beliefs:

North Carolina should have strict voting laws that insure that only eligible voters can vote, even if it means that some eligible voters have to vote a provisional ballot.

North Carolina should have less strict voting laws so that everyone can vote even if some ineligible voters are able to cast ballots.

Which statement more reflects your beliefs:

North Carolina should have strict voting laws that insure that only eligible voters can vote, even if it means that some eligible voters have to vote a provisional ballot.

North Carolina should have less strict voting laws so that everyone can vote even if some ineligible voters are able to cast ballots.
